Harold,

Here are some clippings on the Stone move. I will keep looking and send you more. Gary was going to call you - he and Cramer were not giving Moorman/Badgerman to Stone, the last I heard.

Do you have a copy of H.S.C. document #002372? It is supposed to be a statement by Johnnie Mae (Thompson) Witherspoon. If so can you send me a copy, if it's not too big?

Too bad about Bud!

Dave
